Legal Holiday Declared.

Legal Holiday Declared.

(By Associated Press.)

BALTIMORE, MD., Feb. 8.—Governor Warfield to-day issued a proclamation declaring the day a legal holiday. It is expected that this will be extended for several days, or until such time as the chaotic conditions in the business and financial districts can be straightened out. This proclamation closes all banks and other financial institutions and defers the payment of commercial paper. This action of Governor Warfield suspends the operations of various business contracts and greatly relieves the complex conditions which confront the business and financial interests.
